

As a resident of San Antonio, Texas, K-LOVE is a very important part of my life. I have a 20-30 minute commute to and from work each day and listening to K-LOVE gives me the encouragement and positive attitude I need to face a tough day teaching eighth-grade students. It is one of my links to the Christian community in that I find out about and can participate in the various Christian activities taking place in or around San Antonio. If K-LOVE were not broadcast here in San Antonio, we would lose a large part of the Christian fellowship that is vital to our daily lives. It is shocking today what is allowed on the air waves and on television and in the movies. It is nice to know that there is a station to turn to that not only has wonderful uplifting music, but we don't have to worry about something offensive being broadcast to us and our families. I wish there was more wholesome programming available, and it would be a tragedy to lose K-LOVE.
